

AUSTINS OVER AUSTRALIA 2019

BAROSSA VALLEY S.A.

Monday Sept 23 to Friday Sept 27

Hosted by: Austin 7 Club of SA
262 Tapleys Hill Road, SEATON S.A. 5023
ABN: 85 770 577 863

The Austin 7 Club of SA is hosting the 15th Austins Over Australia in the picturesque Barossa Valley.

In a break with tradition, this event will run from Monday 23rd September to Friday 27th September 2019, NOT over Easter as it has been in the past.

This week has been chosen because it precedes the renown Bay to Birdwood Classic, which is on Sunday 29th September. Only Austins manufactured between 1 January 1956 and 31 December 1981 (subject to change) will be eligible to enter the Bay to Birdwood Classic. However, if you have an early model Austin and you haven't been a spectator at a previous event, it is something you must do – it is just as good as being an entrant. More details on this event will be sent to all entrants when they become available. The Bay to Birdwood Classic Entry form will be available on www.baytobirdwood.com.au from June 2019.

The Headquarters for the National Event will be at the Tanunda Show Grounds Hall whilst accommodation will be available at a number of different venues – see reverse side for some of the Accommodation Venues.

We would like to see you in the Barossa Valley in 2019. If you are considering being an entrant, please complete an Expression of Interest Form & send it to the 2019 AOA Secretary.

Please pass a copy of this letter on to any Austin owners you know who may be interested in entering this event. Expression of Interest forms can be downloaded from <http://austin7clubsa.com.au/wp-content/uploads/2017/01/EOI-Form.pdf>
